

# SOUTHERN ELITE SHOWCASE

## 2021 MISSION STATEMENT

---

Hello everyone hope all is going well during the holiday season. I think it is safe to say 2020 has been a long difficult yr. for most as Covid-19 has caused numerous issues across our country and the world for that matter. We have all sat around and watched as our gatherings and events have been cancelled with little notice. I for one will not sit around and wait for that dreaded phone call so I'm going to make an attempt to get ahead of this thing while we still can. After careful consideration and conversations with industry leaders I have decided to take it upon myself to secure plans to insure we have an opportunity to show our finished product at an event of equal quality as the Ga Nationals. Please understand this is not an attempt to bypass or replace our 4h/FFa sponsored show. With all that said I'm going forth and announcing the dates and plans for an exhibition for elite quality show pigs to be shown in Ga on Sunday February 21<sup>st</sup>. If you are wondering this is the Sunday immediately following the completion of the Ga nationals. If we have the Ga nationals great we will simply hold over a day and have our show if not then we will have something in place to finish out this set of hogs. This show will payback 100% minus a few expenses. I have secured 2 facilities for this date to insure if any unforeseen circumstances arrive we will be able to adjust. **IMPORTANT**; I will be releasing a full schedule of events within the week. Be advised I will take one and only one shot at this, entries will be open for 1 week only and I will only take the first 200 entries (no exceptions will be made). You can pre enter by text only starting 12/26 (name and number of showman) entries and fees will be due at a later date \$200/exhibitor. This show is only open to Ga National entries. This is something that is dear to me and my family; I am only doing this to ensure our kids have an opportunity to finish out this yr.....This will happen quickly once I set it in motion, please pay attention for updates so you're not left out. Thanks for your understanding see you soon.
